Good day, Mr Venter.

Sorry for the delayed response, and thank you for your email regarding Parkview CAS 103/05/2020.

I confirm receipt of your request for a status update.

1. Investigative steps taken: Since our last correspondence, we have been following up on obtaining statements from other people that were present at the office of Mr Roux on the 18th of May 2018.

2. Docket status: As soon as the statements are obtained, the case will be reviewed for potential referral to the Director of Public Prosecutions.

3. Before referral, I will enquire from you as to how far are you with regard to polygraph test you wanted to undergo, whether you are still willing to proceed with it or not.

5. Next steps: We are aiming that the docket to be finalized by the end of January for referral. I will keep you updated.

Kind regards,
Warrant Officer Mokoena

Dear Warrant Officer Mokoena,

I trust you are well.

I write to request a formal status update on **Parkview CAS 103/05/2020**, which was reopened and escalated as previously confirmed.

For purposes of procedural clarity and record-keeping, kindly advise on the following:

1. The investigative steps taken since our last correspondence;
2. Whether the docket has progressed to any further internal review or decision-making level;
3. Whether any statements, affidavits, or supplementary evidence have been obtained, actioned, or remain outstanding;

4. **The precise status and content of the docket prior to any referral to the Director of Public Prosecutions, the NPA, or any prosecutorial authority, as I am entitled, as the complainant, to be informed of and to scrutinise the evidentiary record relied upon before such referral occurs;**

5. The anticipated next steps and any indicative timelines.

This request is made in furtherance of **procedural fairness** and my constitutional right of access to justice under **section 34 of the Constitution**, which necessarily includes meaningful complainant participation and transparency in the handling of evidence prior to prosecutorial referral.

Should any aspect of the requested information not yet be disclosable, I request that this be stated expressly, together with the reason, so that the position is clearly and accurately recorded.

I appreciate your continued professionalism and look forward to your response.

Kind regards,

Jan Hendrik Stephanus Venter
